

Sinclair  
Broadcasting has  
been given access  
the the public air  
waves for free. We  
must have equal  
access for all  
elections and their  
misuse of the public  
airwaves should  
result in the  
removal of ALL of  
their licenses when  
they apply for  
renewal.

This is a perfect  
example of what has  
happened to freedom  
of speech, open and  
fair ownership of  
radio and television  
stations and misuse  
of the public trust.
